# Shift Report

MOCK TEMPLATE - synthetic document created for this simulation

Agent name: _____ Date: _____ Shift: _____

## 1. Ticket Triage Log

*Categorize and prioritize each ticket received this shift.*

## 2. Fulfillment Records

*Document what you completed - actions taken, quantities, timestamps, exceptions.*

## 3. Troubleshooting Notes

*What you tried, what worked or didn't, and what to try next.*

## 4. Warm-Transfer Summary

*Hand off with full context for any ticket transferred to another team.*

## 5. End-of-Shift Summary

*Queue state at close of shift - open, in-progress, and escalated counts.*
